

**Dear Valued User,**

Welcome to our program!

We're delighted to have you on board. For a comprehensive guide and additional resources, please visit: <https://expforex.com/cat/software/>

Should you have any questions, we encourage you to post them on our website or the program's discussion page, rather than sending personal messages. All responses will be posted publicly to benefit the entire community.

Our Shop: <https://www.mql5.com/en/users/vladon/seller>

If you experience any issues or errors, please document the details and email them to us.
